WELCOME TO STUDIO G!

We are proud to enter our 40th year of dance instruction in the Pittsburgh area. Our commitment is to offer your child a positive and nurturing environment to explore dance. We offer a wide variety of classes set in a wholesome atmosphere where positive attitudes are encouraged. Our goal is to develop an awareness of self, develop motor skills, enhance creativity, learn rhythm, and enjoy movement to music and build self esteem and confidence through education and performance. Our staff is dedicated to developing a love of the arts with encouraging students to strive for their personal bests as they develop pride in their accomplishments. We believe the values learned in the formative years carry over to the other areas of the students' lives and help propel them toward success.

[CLASS ATTENDANCE]

Classes should be attended regularly. Missed classes can be made up at an alternate time during the week in a comparable class. If a teacher cannot make it to a class, a substitute will be arranged. We request that parents do not watch classes because it is distracting to the student and space is limited. ***If your child withdraws from a class, it is imperative that you contact the Studio or you will be responsible for the remainder of the tuition.***

[RECITAL INFORMATION]

The studio has an annual dance recital. Possible dates are the first or second weekend in June. **The annual dance recital is NOT required.** Students may take classes and opt not to participate in the recital. Please notify the office in writing if your child **WILL NOT** participate in the recital. A notice will be sent home confirming students' participation in the annual recital before dance choreography begins. **Costumes are required. A deposit of \$25 per costume will be due the week of Nov. 6.** You can set up an account and make payments on your costumes all year. If you should overpay, this will be credited toward your tuition. **A second deposit of \$25 per costume will be due the week of Jan. 7.** Costumes will NOT be distributed until they are paid in full. **Any class withdrawals after Jan. 12 are still responsible for full costume payment.** More information regarding the recital to follow.

[TUITION]

Tuition is based on a nine-month dance year (September-May). **Tuition is due the first of the month and is payable up to the 10th of that month without penalty. After the 10th, a \$10 late fee will be applied to your account.** Tuition remains the same whether it is a three-, four- or five-week month, as it is prorated. Each class day will have a minimum of 35 classes a year. Full refund for withdrawals before the first class. Tuition is NOT refunded for missed classes. Registration fee is NON-REFUNDABLE. **There is a \$25 fee for any returned checks.**

To determine tuition, add the total class hours per week for all family members:
