

STUDIO G DANCE CENTER WINTER SHOWCASE

We are so excited to announce that our second annual Winter Showcase is right around the corner! This is a chance for parents, caretakers, friends, and family to see what your children have been learning and working on the first half of the dance year. Your child is being taught a special holiday dance in their regular class that will be performed at the showcase. Minimal costumes will be required, and your child’s instructor will inform you of what will be needed for each class. The Studio G Dance Team will also be performing in the Winter Showcase.

- The Winter Showcase will be held at Westinghouse Arts Academy Charter School, 320 Marguerite Avenue, Wilmerding, PA, 15148 at 2:30 PM on Saturday, December 9, 2023.
- Dancers are to arrive at 1:30 pm.
- All dancers should wear the holiday tee shirt we are ordering or bring a red t shirt for the finale.
- Following the performance, you are invited to attend a soiree with refreshments and cookies for all our dancers and guests to celebrate the season.
- There will be a holiday balloon display for fun holiday photo ops...maybe even a visit from Santa.
- Tickets will be required for this event. All tickets are \$10.00 in advance and \$12.00 at the door.

Last year we were overwhelmed by the wonderful attendance and advise you to purchase tickets in advance. We will only sell 600 seats. Tickets are non-refundable. All seats are open seating and are not reserved. Please make sure you are on the SGDC email list so you can receive all pertinent information regarding the studio. If you are not receiving emails—please contact info@studiogdancecenter.com with a good parent/guardian email address so we can add it to the email chain.

As always, thank you for choosing Studio G for your child’s dance education!
